the anglo saxon cemetery at buckland dover was discovered when a new housing estate was being constructed in 1951 it was excavated by professor evison between 1951 and 1953 the cemetery of some 170 graves dates from the late fifth to the middle of the eighth century professor evison s expertise in the study of glass jewellery and weapons ensures that there is a penetrating analysis of this important site and interesting ideas are proposed for the layout and phasing of the cemetery a comprehensive discussion of the finds from the graves reveals that although the buckland cemetery
